It is indeed an honor and a privilege for WSFS Bank to have this unique opportunity to join the city of Lewes to launch the *WSFS Bank Summer Music Series*. Together as the oldest city in Delaware and the oldest independent Delaware banking institution, we share a strong commitment to the State of Delaware – the state we both are so proud to call home.

As WSFS actively expands our presence in Sussex County, the Associates of WSFS Bank are thrilled to be here with all of you. We are delighted to invite both local residents and Lewes vacationers to listen to this amazing array of concerts. Mark your calendars now and be sure to spread your blankets early. The lineup for this summer is one you don't want to miss.

Thank you for your participation...sit back and enjoy your evening.
